

# Quiz 9: For loops

Name: \_\_\_\_\_

## CSCI 110 Section 1

Wednesday, September 7, 2016

1) Write a while loop that prints "hello" five times. [30 points]

2) Write a for loop that prints numbers from 0 through 5. [30 points]

3) Convert the following for loop into an equivalent while loop. [40 points]

```
for (int i = 10; i < 200; i++) {  
    System.out.println("are we there yet");  
}
```

- 4) Write a for loop that counts from 10 down through -10 in increments of 2. [extra credit, 25 points]
